HTML / CSS

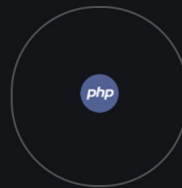

Figma

Linux

Server and DNS Management

PHP

JavaScript

Since 2014 I have run my own business, and over the years I've had the privilege of creating WordPress websites and executing online marketing strategies for more than 150 companies. Through hands-on experience, I've fine-tuned my abilities in website development, problem-solving and boosting performance. Now I'm ready to take the next step in my career.

With a strong foundation in WordPress and technical support, I've spent years solving complex issues, improving site performance and ensuring exceptional customer experiences. I'm excited to leverage my expertise to contribute to Pressable's mission of providing top-tier WordPress hosting and creating seamless, high-quality experiences for enterprise clients and agencies.

Some Tiny Disclaimers...

- I might have a bit of an addiction to great coffee.
- I love to travel whenever I get the chance.
- I enjoy listening to and making music.
- I love creating amazing things with people.
- I thrive on taking ownership and turning ideas into reality.
- I'd love to build my own office in a camper van.
